Subject: INVITATION to participate as invited lecturer in workshop in Medical University of Varna

Dear Prof. Masaki Hashida,

I would like to invite you to participate as invited lecturer in the workshop "Biomedical Engineering", which will be held on 28 June 2024 at Medical University of Varna, Bulgaria. In the workshop framework, meetings with the management of Medical University of Varna and Faculty of Dental Medicine, discussions, demonstrations and training with the research groups' members will be included in the period 25-27 June.

The workshop will be organized within the framework of the project № BG-RRP-2.004-0009-C02 of the European Union-NextGenerationEU, through the National Recovery and Resilience Plan of the Republic of Bulgaria.

I believe that your participation in the workshop is continuation of our visit and will arise in closer collaboration in future.

I am waiting for your response and remain open to any questions!

Sincerely yours,

Prof. Tsanka Dikova
Head of Research Group 3.1.4., MUVE-TEAM project
